

## PROSTATE BIOPSY PATIENT INSTRUCTIONS

Name: \_\_\_\_\_

Appointment Date: \_\_\_\_\_ Time: \_\_\_\_\_

- **NO** aspirin or aspirin products or blood thinners 7-10 days before and after the exam
- If antibiotics have been prescribed by your doctor, they must be taken 1 day prior to the exam, the day of the exam and 1 day after the exam twice daily.
- If you were not prescribed any antibiotics, you will be given antibiotics at the time of your biopsy.
- Purchase an enema (Fleets Brand or generic/store brand). Most stores carry this product. **Use the enema the day of the exam 1 hour before you leave home for your appointment.**
- No diet restrictions

If you have any questions, please do not hesitate to contact the office at 901-767-8158, Monday – Friday.
